leads to huge lost opportunities for the UK: The successful companies often lose their technical lead to better funded international rivals or are sold to international acquirers, losing the benefits to the UK: the knowledge, skill sets, employment and taxes.”

Equity Investment into UK Spinouts

The amount invested into UK spinouts fell 10% between 2018 and 2019, whilst the number of deals fell 7%

Spinout companies from Oxford and Cambridge secured the highest number of investments in 2019, with 56 received by each university

There was an unprecedented decline in interest from foreign investors, who participated in just 63 deals in 2019
