Allow all

There are 2,170 high-growth businesses located across the West Midlands. Together, they secured £413m in equity investment in 2021. Strong industries in the region include high-value manufacturing, deeptech, and gaming.

The Warwick Innovation District plays a key role in supporting innovation across the West Midlands: providing access to work space and facilities, attracting global investors and an angel network, and creating opportunities for networking and partnerships. Discover more inside the report.

Meet the team behind the research
