Apple to announce \$100B further commitment for US manufacturing

Apple plans to increase its commitment to U.S. manufacturing, according to a White House official cited and [first reported by Reuters.](#)

The tech giant is set to announce Wednesday [another \\$100 billion](#) in spending to help boost production of its products here in the U.S., after previously committing to invest \$500 billion in the country over the next four years. The [\\$500 billion commitment](#) includes opening a new advanced manufacturing facility in Houston to produce servers that support Apple Intelligence, producing Apple TV+ productions in 20 U.S. states, and working with U.S. suppliers.

The news comes as President Trump [has threatened the iPhone maker with tariffs](#) unless it
