60.4% increase in amount invested

535 Deals

1.7% increase in number of deals

Data for this report was finalised on 26 July 2024.
To be included in our analysis, an investment must be:

- Dated between 1 January 2016 to 30 June 2024
- Be publicly announced
- Some form of equity investment
- Secured by a non-listed UK company

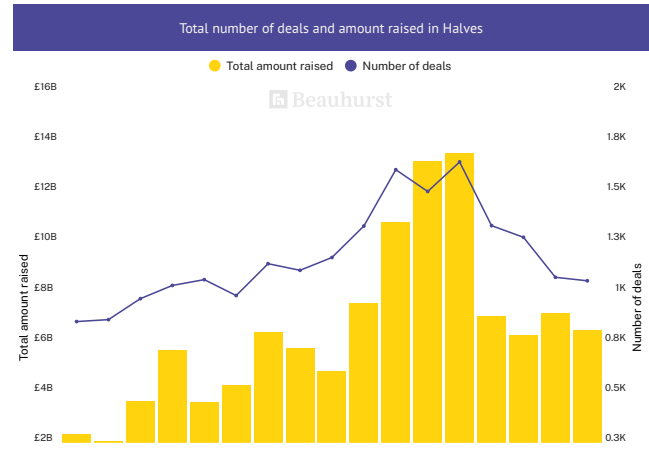

Headline funding figures

Half comparison (H1 2024 vs H2 2023)

Looking at H1 2024 as a total, £6.50b was raised across 1,061 announced deals.

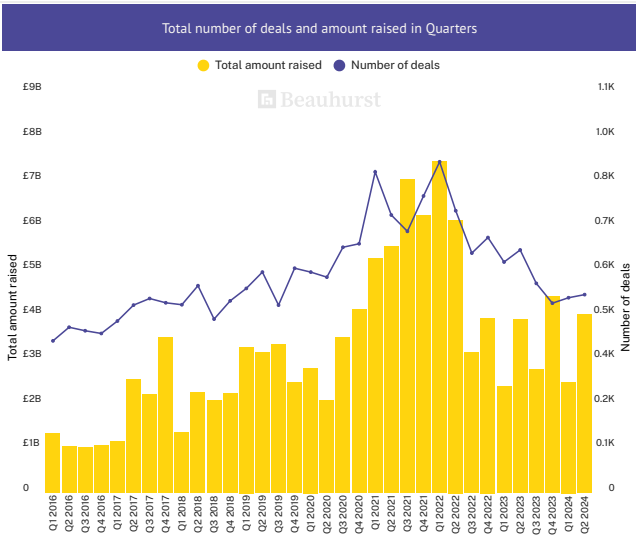

This equates to a decrease of 9.8% in the amount raised compared to H2 2023. The number of deals stayed roughly similar with a modest 1.5% decrease.

The total amount invested in H1 2024 increased slightly by 3.3% compared to H1 2023, but the total number of deals decreased by 17.0%. This indicates that the average deal size has increased compared to the same half last year, but decreased compared to H2 2023.

Regional trends

H1 2024

As usual, London dominated with 47.2% of deals and 61.8% of the amount invested into companies headquartered there.

For the number of deals Scotland came in second with 10.2% which seems to be consistent with Scottish deals more broadly when we look at more recent data. The South

Hear how our IS 8 centers are helping West Northamptonshire Council. [Join the webinar →](#)

Wales secured 3.4% of the total deals, and Northern Ireland equated to 0.9%. And for the amount invested, Wales 0.6% overall and Northern Ireland secured 0.5%.

Percentage of deals in each region in H1 2024
