## TechCrunch Disrupt 2025: First full agenda reveal for the brand-new Going Public Stage

TechCrunch Events — 7:00 AM PDT • July 23, 2025

We recently unveiled the [Going Public Stage](#) at [TechCrunch Disrupt 2025](#) — a new destination for founders navigating the complexities of company building, from early traction to IPO and beyond. Today, we're excited to announce additions to the agenda that bring even more insight and firepower to the stage.

Joining the [speaker lineup](#) are Eric Yuan, founder and CEO of Zoom Communications Inc., and Santi Subotovsky, general partner at Emergence. These trailblazing leaders will share candid perspectives on scaling companies, preparing for public markets, and steering through pivotal transitions.

## How Long Should a Startup Stay Private?

[David George](#), general partner, Andreessen Horowitz

Startups today can grow to huge valuations, cash out their employees, and stay private longer than those of previous eras. But that also means that late-stage startups are facing a whole new set of rules. George unpacks the shifting VC landscape, what the next generation of scaled startups needs to know, and how capital is being deployed in an era of tighter money and higher expectations. From IPO windows to secondary markets to the evolving role of growth investors, this fireside chat goes deep on what it really takes to build enduring companies in today's market — and what's coming next.

## How AI Is Forcing Late-stage Startups to Rewire GTM — or Be Left Behind

[Jane Alexander](#), partner, CapitalG; [Vanessa Larco](#), co-founder, Premise; and [Nirav Tolia](#), CEO, Nextdoor

AI is rewriting the playbook for how startups reach and win customers — and late-stage companies are feeling the pressure to adapt fast. In this panel, two top VCs and a seasoned founder break down how AI is transforming go-to-market strategies, from sales and marketing to customer success. We'll get into what's working, what's hype, and how to build AI into your GTM engine without losing focus. If you're scaling and wondering how AI fits into your next phase of growth, this is the conversation you don't want to miss.

## Building What Comes Next

[Julie Wainwright](#), CEO, [Ahara](#) and founder and former CEO, [The RealReal](#)

Wainwright knows how to spot a wave — and ride it. From pioneering luxury resale at [The RealReal](#) to jumping into personalized nutrition with Ahara, she's made a career out of building ahead of the curve. In this fireside chat, Wainwright opens up about what it takes to start over, scale fast, and stay resilient through market shifts and personal pivots. We'll dig into the lessons learned from category creation, the risks of reinvention, and why experience might just be the ultimate startup edge.

## Everything You Need to Know Before an Exit

[Jai Das](#), co-founder, president, and partner, Sapphire Ventures; and [Roseanne Wincek](#), co-founder and managing director, Renegade Partners

Go public, get acquired, or double down and stay private? In today's unpredictable market, founders need to think about exit strategy earlier — and more strategically — than ever. This panel brings together two top VCs and a seasoned CFO to unpack how to set your company up for every option. We'll talk timing, metrics that matter, investor expectations, and what it really takes to navigate M&A and IPO prep, or just keep building through the storm. Whether you're 12 months out or just starting to scale, this conversation is all about making smart moves now for whatever comes next.

## Exit strategy? Start shaping it at Disrupt 2025

Whether you're building your first product, scaling your team, or planning for the long term, the [Going Public Stage at Disrupt 2025](#) is built for founders ready to make bold moves. Hear from leaders who've navigated the highs, the risks, and the reinventions — and walk away with insights you can act on now.
