Tesla is reportedly behind on its pledge to build 5,000 Optimus bots this year

Tesla is well behind the pace needed to meet its [earlier stated goal of producing](#) at least 5,000 Optimus humanoid robots this year, [The Information reports](#). Nearly eight months into 2025, and the number of bots Tesla has produced is only in the hundreds, according to two sources. That means Tesla will either need to step it up or push back the deadline.

The news comes after Tesla reported a [12% decline](#) in over
