Reindustrialize conference in Detroit.

Sramek [tweeted](#) that U.S. manufacturers can't win by "building factories off of random freeway exits in the middle of nowhere. The best people don't want to work there."

This site will offer expedited permitting, transportation for finished goods, and plenty of power from renewable energy, he said. The hope is that it will attract hardware, engineering, and AI talent from relatively nearby Silicon Valley. Solano County is about 40 miles northeast of San Francisco.
